Sir:

NOTICE OF ERROR IN THE DETERMINATION OF PATENT TERM ADJUSTMENT

As required by 65 FED. REG. 56387 (September 18, 2000), Applicants notify the Patent and Trademark Office (PTO) of an error in the patent term adjustment. Applicants confirm receipt of the Notice of Determination of Patent Term Adjustment dated April 5, 2006.

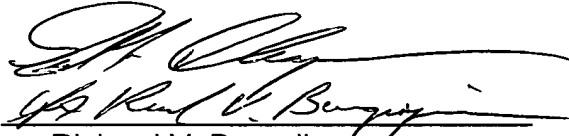

The Notice indicates that the PTO has determined that the patent term adjustment period for this application is 1113 days. Applicants respectfully request that the PTO identify how it arrived at this adjustment period. Applicants note that after payment of the Issue Fee on January 12, 2006, they filed a Request for Continued Examination (Request) on March 10, 2006, and the time for the PTO to act on this Request does not appear to have been considered for possible reduction of patent term adjustment. Applicants therefore ask that the PTO reconsider the patent term adjustment.

Please charge any necessary fees required to enter this paper to our
deposit account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.

Dated: June 29, 2006
